We are proud to announce the launch of our newly redesigned website!

You talked. We listened. We got busy.

After months of planning, we are delighted to announce the launch of our newly redesigned website.

We wanted a new website to better collaborate with our members and to meet our objective of promoting technical and operational excellence throughout the European Gas Industry.

We hope that the new design will allow you to find our [Conferences](#), [Past Papers](#), [In Brief Issues](#) and [News Articles](#) more quickly and easily.

## GPA Europe Spring Conference 2020 TOTAL, Paris 2 - 4 June 2020

Registration is now open for our Spring Conference in Paris 2020!

TOTAL will host GPA Europe 2020 from 2 to 4 June 2020, providing the perfect platform for three days of high-level networking, discussion and debate.

*We are offering an Early Bird Discount until Friday 20 March 2020.*

### **Young Professional Training Day**

We have a one-day [Young Professional Training Day](#), aimed at those new to the industry, or thinking of joining. The programme is filling fast. If you would like to register, [tell us](#). The day is free to all GPA Europe members.

### **Workshop**

*"LNG PLANT: TOWARD ZERO EMISSION"*

In this four hour workshop, we will aim to present one possible future to decrease CO2 emissions within a LNG Plant. We will have some fun, and invite you to share your views. If you are interested then don't delay and [book today](#).

### **Keynote Address and Executive Panel**

We are developing an exciting Keynote and Executive Panel - the high level individuals will be communciated soon.

### **TOTAL Demonstrations**

During lunchtime, TOTAL are running 30 minute demonstrations for all. There is no charge for this.

### **GPA Europe Technical Conference**

---

See who will be taking the stage in the latest [sessions list](#). You can find out more information on the Conference and its developing Programme [here](#).

### Sponsors and Exhibitors

We are delighted to announce that we have the following Sponsors and Exhibitors:

## Our great **Sponsors**

GPA Europe would like to thank our sponsors:

We have different sponsorship packages and opportunities available. If you are interested, please [contact us](#).

We will also have limited, but high quality, exhibition space within the breakout area. If you are interested, please [contact us](#) for more information or to reserve your space.

Get the latest event developments – connect with us on [LinkedIn](#), follow us on [Twitter](#) and join us on [Facebook](#).

## 28th Annual Technical Conference GPA Global 2020 17 - 19 March 2020 POSTPONED

Due to the outbreak of The Novel Coronavirus disease (COVID-19), the 28th Annual Technical Conference, Workshops & Exhibition of the GPA-GCC Chapter scheduled to be held during 17-19 March 2020 will be postponed.

The GPA-GCC will declare new dates for the conference after checking with all parties involved to ensure the availability and participation of all member companies, speakers and vendors.

---

## GPA Midstream Convention, New Orleans 18 - 22 April 2020

We are once again supporting GPA Midstream with submission of a paper or two for the Worldwide Developments Breakfast and Forum taking place on 21 April 2020.

---

Our Best Paper Award winner, Christian Bladanet from TechnipFMC, will be presenting his paper "Yamal LNG – A Project Beyond Limits".

Registration for the 2020 [GPA Midstream Convention](#) is now open. Those who register before the 14 February will receive the [Early Bird Discount](#).

**[Registration is OPEN: GPA Midstream Convention](#)**

**Sponsorship and Exhibition Opportunities**

We provide a direct marketing channel to Directors and Process Engineers within the natural Gas Processing Industry.

We have multiple sponsorship opportunities at our events, as well as advertising within In Brief and our Newsletter - [contact us](#) for more information.

**[Highlight Your Institution](#)**

**In Brief**

Our November 2019 Issue of In Brief is now out on the streets - [Check it out!](#)

If you would like to contribute to our June 2020 Issue, we have an opportunity for a budding author to offer a leading article. A chance to promote your name through the industry. In return we need an article of general interest, of about 1800-2000 words to fill 3 pages - well written and engaging to boot.

In Brief is a great opportunity to gain product recognition to the GPA Europe membership - print copies of this issue will be shared at all conferences in 2020.

Please contact the GPA E Team for more information - [admin@gpaeurope.com](mailto:admin@gpaeurope.com)

## GPSA Engineering Databooks - 14th Edition

The 14th edition of the GPSA Engineering Databook is now available with up to the minute improvements and the latest data.

The GPSA Engineering Databook is almost 1,000 pages of technical information and is the worldwide authoritative resource for technical and design information. It compiles basic design information together with data and procedures that can be used by field and plant engineers to determine operating and design parameters.

It is also intended as an aid to design engineers who, in spite of increasing availability of computer routines and other sophisticated design methods, require a general reference work as a guide to accepted engineering practice for estimating, feasibility studies, preliminary design and for making on-site operating decisions.

Every process engineer should have one!
