Virtual Event Series 2020 - 2021

What to expect

This year we are delivering our Spring Conference 2020 directly to you, our members, for free in the comfort of your home or office. The format has changed but the conference themes and fantastic, community spirit remain the same. We will be providing ongoing monthly digital sessions and content to all GPA Europe members.

Monthly Sessions

Great Speakers

Live Q&A

Executive Panel

The Programme

Executive Panel

90 minutes in the company of some of the industry's most influential decision makers.

After a brief opening statement from each of the panel members, the floor will be open to questions from the audience on "What will COVID-19 mean for our industry now and in the next 18 months?"

Young Professional Training

The Young Professional Training sessions are designed for people who have recently joined or are thinking of joining the energy industries. These sessions are intended to help in understanding how your technical expertise can be applied within our industry. The first session will focus on "Carbon Capture, Utilisation and Storage".

All Virtual sessions will be approximately 90 minutes, starting at 11:30am GMT.
