Virtual Event Series 2020 - 2021

Registration for our Virtual Event Series is now open! We are delivering high quality presentations directly to you, our members, for free in the comfort of your home or office. We will be kick starting our monthly Virtual Series with a Panel Discussion on Thursday 24 September.

Panel Discussion

90 minutes in the company of some of the industry's most influential decision makers.

After a brief opening statement from each of the panel members, the floor will be open to questions from the audience on "What will COVID-19 mean for our industry now and in the next 18 months?".

Panelists will be communicated soon.

Young Professional Training

The Young Professional Training sessions are designed for people who have recently joined or are thinking of joining the energy industries. These sessions are intended to help in understanding how your technical expertise can be applied within our industry. The first session will focus on "Carbon Capture, Utilisation and Storage".

All Virtual sessions will be approximately 90 minutes, starting at 11:30am.

AGM and Technical Meeting

We have made the difficult decision to hold our AGM and Technical Meeting virtually in 2020. With how the COVID-19 situation has been over the past few months, we cannot be sure we could hold a physical AGM securely and safely for our members.

We will still be bringing you our usual AGM alongside two high quality papers.

Sponsorship

GPA Europe would like to thank our sponsors:

If you are interested in [Sponsoring](#) an individual session, or the event series, please get in touch with us at admin@gpaeurope.com today for more information.

Registration

Registration is now open: gpaeurope.com/event/gpa-europe-virtual-series-2020-2021

We will update you via our website, www.gpaeurope.com, and on our social media platforms as our plans take shape. Don't forget to connect with us on [LinkedIn](#), follow us on [Twitter](#) and join us on [Facebook](#).

As always, we want to hear from you, our GPA Europe members. If you have topics of interest or would like to be involved in our virtual events, please do get in touch with us at admin@gpaeurope.com.

Sponsorship and Exhibition Opportunities

We provide a direct marketing channel to Directors and Process Engineers within the natural Gas Processing Industry.

We have multiple sponsorship opportunities at our events, as well as advertising within In Brief and our Newsletter - [contact us](#) for more information.

[Highlight Your Institution](#)

In Brief

Our November 2019 Issue of In Brief is now out on the streets - [Check it out!](#) Our next issue will be available soon.

If you would like to contribute to future issues, we have an opportunity to get involved. A chance to promote your name through the industry.

In Brief is a great opportunity to gain product recognition to the GPA Europe membership.

Please contact the GPA E Team for more information - admin@gpaeurope.com

It is not all about GPA Europe

All the latest news from our members...

CDE Projects Ltd have been shortlisted

"The Directors of CDE Projects Ltd are pleased to announce that Hydrocarbon Processing has shortlisted Conceptual Design Emulation - CDE - for its prestigious Modeling Award at this year's ceremony to be held at the Houstonian on the 1st October. CDE is a unique interactive, multi-discipline engineering program that predicts the outcome of a design starting from a set of stream data, knowledge of the process flow sheet, the project site criteria and owner's practices and policies, and enables the evaluation of changes during the life of the project."

Good Luck from all of us at GPA Europe!

Hydrocarbon Processing's IRPC Americas Conference goes online

Hydrocarbon Processing are holding their IRPC Americas Conference online from 22 - 23 September 2020.

For more information about IRPC Americas ONLINE and to register, please visit www.IRPC-Americas.com
